Business Income Roadblocks in Moving & Storage Operations

**AHEAD:**  
BUSINESS INTERRUPTION  
HAZARDS

**TAKE COVER**  
Business Income Coverage (BIC) is part of a commercial property insurance policy & is triggered by a covered claim.

**TIME IS ON YOUR SIDE**  
The lost income reimbursement period of up to 1 year is standard on Mover's Choice policies, longer than most other insurers' policies.

**GET A LOT FOR A LITTLE**  
BIC covers so much for relatively small expense and often applies to situations insureds have not considered.

**LOST REVENUE**

**RELOCATION EXPENSES**

**WAREHOUSE PAYROLL**

**LOST RENTAL INCOME**

**THROW ME A LIFELINE**  
With BIC, you can focus on operations recovery, instead of worrying about how to pay routine bills.
