AHEAD:
NATURAL
HAZARDS

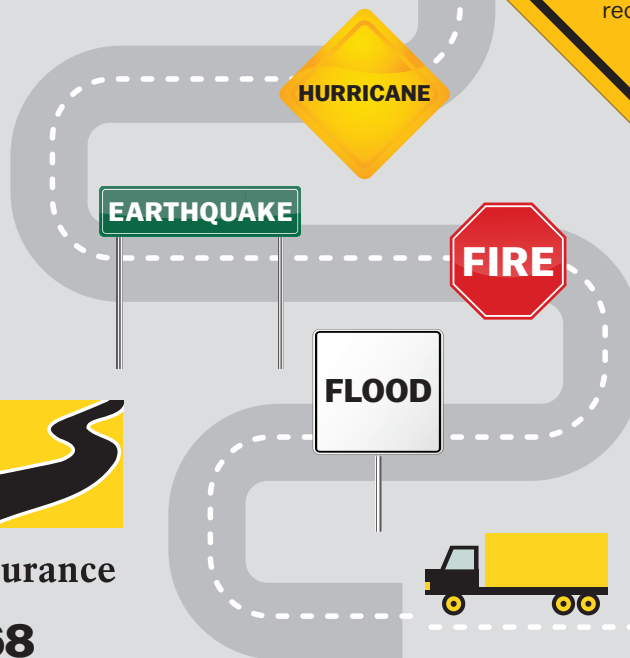

WEATHER THE WEATHER
Check shipping crates for water damage or mold growth to customers' property. Hurricanes accounted for 30% of global catastrophe insurance losses in 2015.¹

THE DAMAGE ISN'T DONE
Mitigate the damage by recovering & restoring damaged customer property. U.S. earthquake losses from 2006-2015 – \$1.5 billion.²

DON'T SHOULDER THE COST
Sue & Labor Covers "reasonable expenses" incurred in taking steps to defend, safeguard or recover insured property threatened or damaged by a disaster.

MOVE IT OR LOSE IT
Take steps to safeguard customers' property in advance of an impending peril.
