

Safety Talk Tuesday

Destination: Backing Safety Backing Facts and Tips for Safer Driving

Common Mistakes that Lead to Backing Collisions² are:

Not Adjusting
Mirrors

Distracted Driving

Hurrying

Not Performing
Vehicle Walk-Around

The 7 Steps to Backing Safety:

- 1 Check vehicle at start of shift
- 2 Minimize distractions
- 3 Align your vehicle for a straight back-up
- 4 Perform vehicle walk around
- 5 Check mirrors before your back-up
- 6 Back slowly
- 7 Scan mirrors until you reach complete stop
